

## Academic Requirements

Integrated Ph.D. students will have to register for course work as specified by respective departments. Integrated Ph.D. students should register for a total minimum of 128 credits (coursework and research work) of which minimum 40 credits must be from research work and 48 credits must be from course work. The remaining credits can be as per the advice of the department. Besides the above-mentioned minimum requirements, a Department may prescribe some additional credits of courses/thesis work approved by the Senate. After fulfillment of a total minimum credit requirement, an Integrated Ph.D. student may be allowed to register for a minimum of 4 credits per semester until the completion of the program to be considered as a full time student. The Senate may also allow Integrated Ph.D. students to credit courses in other academic Institutions. Students conducting a part of their research work at other academic institutions may seek residence and research credits for the time spent outside. However, such work must be carried out under the guidance of IISER Bhopal faculty and his/her thesis supervisor will evaluate the progress of this work. Prior to undertaking work outside IISER Bhopal, the student must obtain consent from the DPGC and approval from DoAA.
