

14. FELLOWSHIP FOR Ph.D. PROGRAMME

Students who have successfully qualified national level exams such as CSIR-JRF/DBT/UGC or equivalent can avail their fellowship from respective agencies. Such students should start the process of activating their fellowship immediately after joining IISER Bhopal by submission of the complete and relevant forms to the granting agency through the Institute. Students who do not have their own source of fellowship but have qualified UGC-NET(LS), GATE etc. are eligible to receive Institute assistantship. IISER Bhopal offers hostel accommodation to all students. Thus, no HRA will be admissible to students who wish to opt out the hostel facility and become day scholars.
