

3.1 Senate

The Senate is the principal academic body of the Institute and shall have control over the general regulation of Academic Affairs. The Senate is responsible for the maintenance of standards of education, teaching and training, inter-departmental co-ordination, and for considering and recommending the results of examinations and award of degrees to the Board of Governors (BoG) of the Institute for its approval. The Senate shall exercise such powers and perform other duties as may be conferred or imposed upon it by the Statutes.
